La società **VALVOSANITARIA BUGATTI** nasce a Lumezzane (Brescia) nel 1948, specializzandosi fin dall'inizio nella produzione di valvole a sfera e raccorderia generica in ottone. Successivamente grazie alla costante crescita, la produzione è stata trasferita nell'attuale area produttiva di Castegnato (Brescia) che vanta una superficie di 10.500 mq. Nel settembre 2011 la Società ha realizzato un nuovo magazzino di circa 7.500 mq che assicura un'efficiente organizzazione delle scorte e consente di velocizzare le consegne.

I prodotti vengono realizzati esclusivamente in Italia nella fabbrica di Castegnato, e sono destinati principalmente al mercato estero, senza comunque escludere il mercato nazionale. Ogni anno **VALVOSANITARIA BUGATTI** produce 25.000.000 di pezzi che vengono esportati in 85 paesi nel mondo.

Nello stabilimento produttivo sono presenti macchinari di ultima generazione e laboratori con sofisticate apparecchiature in grado di svolgere severi test di qualità. Il sistema di qualità aziendale è certificato secondo la norma internazionale UNI EN ISO9001:2008, ed è anche grazie a questo che la **VALVOSANITARIA BUGATTI** ha ottenuto ben 30 certificazioni di "approvazione prodotto" da parte di prestigiosi Istituti Esteri.

Partendo dall'attenta selezione delle materie prime, fino alla produzione ed alla consegna del prodotto finito, ogni fase è seguita accuratamente dal nostro sistema qualitativo interno; e tutto questo fa sì che il marchio **VALVOSANITARIA BUGATTI** sia riconosciuto come sinonimo di **qualità, affidabilità e credibilità**.

VALVOSANITARIA BUGATTI was established in Lumezzane (Brescia) in 1948, specializing in the production of ball valves and general brass fittings. Subsequently, thanks to its continuous development, the production was transferred to the current production area in Castegnato (Brescia), which covers an area of 10,500 square meters.

Since September 2011 the Company can also rely on its new warehouse of square meter 7.500 in order to grant an efficient stock management.

The products are manufactured exclusively in Italy in Castegnato's factory, and are mainly allocated in the foreign markets, without in any case excluding the national market. Each year **VALVOSANITARIA BUGATTI** produces 25,000,000 pieces that are exported to 85 countries around the world.

The production department is equipped with latest generation machineries and with a sophisticated laboratory to carry out our rigorous quality tests.

The company quality system is certified according to the international UNI EN ISO 9001:2008. Thanks to the high quality standards **VALVOSANITARIA BUGATTI** has obtained the "product approval" from 30 prestigious institutes to comply with the different country's regulations.

Starting from the careful selection of raw materials, passing through the production and delivery of the finished product, each stage is carefully followed by our internal quality system; and all this makes the **VALVOSANITARIA BUGATTI** brand recognized as a synonym of **quality, reliability and credibility**.

MISSION AZIENDALE

Condizioni generali di vendita

- 1) DEFINIZIONI:** con il termine "Società" si intende la Valvosanitaria Bugatti S.p.A.; con il termine "Acquirente" si intende il soggetto a cui sono intestate le fatture della Società.
- 2) APPLICAZIONE:** le presenti condizioni generali disciplinano tutti i contratti di vendita tra la Società e l'Acquirente, sostituendosi ad eventuali termini e condizioni d'acquisto dell'Acquirente, salvo eventuali deroghe specificatamente concordate per iscritto. L'accettazione dell'Acquirente dell'Offerta o della Conferma d'ordine, in qualunque modo effettuata, comporta l'applicazione delle presenti condizioni generali.
- 3) OFFERTE E ORDINI:** le Offerte della Società hanno una validità di 30 giorni dalla rispettiva data di emissione. Gli Ordini d'acquisto necessitano di apposita Conferma scritta da parte della Società; in caso di Conferma d'ordine difforme dall'Ordine la stessa dovrà essere resa sottoscritta dall'Acquirente alla Società entro 10 giorni dal ricevimento.
- 4) CERTIFICAZIONI E DICHIARAZIONI CONFORMITÀ:** eventuali Certificazioni di prodotto e/o Dichiarazioni di conformità dello stesso devono essere richieste dall'Acquirente in sede di Offerta e, comunque, prima dell'emissione del relativo Ordine; in mancanza di ciò, la Società non potrà essere ritenuta responsabile per qualsiasi eventuale conseguenza derivante dalla mancanza di detta documentazione.
- 5) RESA:** la consegna s'intende convenuta, salvo diverso accordo, franco partenza/EXW (Incoterms 2010) presso l'unità produttiva indicata in Offerta/Conferma d'ordine, anche qualora fosse concordato che la spedizione o parte di essa sia curata dalla Società, nel qual caso quest'ultima agirà come mandataria dell'Acquirente, essendo inteso che il trasporto sarà effettuato a spese e a rischio del medesimo. In tal caso, in mancanza di precise disposizioni, la merce verrà inviata con un vettore scelto dalla Società e le spese di spedizione, assicurazione ed altri oneri inerenti l'inoltro della merce saranno a carico dell'Acquirente. In ogni caso nessuna responsabilità potrà essere imputata alla Società per ammanchi o per avarie di qualsiasi genere causate dallo stivaggio e/o caricamento o dal trasporto. E' obbligo dell'Acquirente controllare la merce in arrivo e segnalare immediatamente eventuali anomalie, ammanchi od avarie al trasportatore ed alla Società. L'imballo non è compreso nel prezzo ed in nessun caso si accetta di ritorno.
- 6) TERMINI DI CONSEGNA:** l'Acquirente è tenuto a ritirare la merce entro e non oltre una settimana dalla data dell'avviso di merce pronta (da intendersi come data di consegna). In difetto la Società avrà la facoltà di fatturare comunque la merce e di provvedere al magazzinaggio con addebito delle spese connesse. I termini di consegna hanno sempre valore puramente indicativo, riflettendo condizioni normali di produzione, suscettibili di variazioni durante la fase di approntamento dei prodotti. Detti termini s'intendono decorrenti dalla data di ricezione della Conferma d'ordine sottoscritta dall'Acquirente per accettazione. I ritardi di consegna, qualunque sia la causa, non danno diritto a risarcimento di danni od a risoluzione del contratto.
- 7) FORZA MAGGIORE:** a titolo esemplificativo, ma non esaustivo mancanza o carenza di materia prima, di mano d'opera, problemi di produzione, scioperi, terremoto, allagamento ed incendio sono considerati cause di forza maggiore. In questi casi, come in ogni altro evento fortuito o di forza maggiore, la consegna viene automaticamente prorogata per un periodo uguale alla durata dell'evento determinante la proroga.
- 8) RECLAMI:** eventuali reclami per vizi palesi devono essere presentati entro e non oltre 8 (otto) giorni dal ricevimento a destino della merce. I reclami devono essere effettuati per iscritto alla Società. Mancando tali requisiti la Società declina ogni responsabilità per errori nella consegna del materiale non tempestivamente ed opportunamente segnalati. A tal proposito si prega di verificare inoltre le Numerazioni e le Marcature dei colli.
- 9) GARANZIA:** la Società garantisce per 2 (due) anni dalla data di consegna che i propri prodotti sono esenti da difetti di progettazione e costruzione, pertanto, entro il periodo di garanzia previsto, provvederà gratuitamente alla riparazione o sostituzione (a suo insindacabile giudizio) dei pezzi riconosciuti difettosi dai propri tecnici, sempre che i difetti non dipendano da normale usura, da negligenza, imperizia o cattivo uso del prodotto da parte dell'Acquirente e/o dell'utilizzatore, da manomissioni o riparazioni eseguite da terzi, da applicazione, installazione o manutenzione non corretti e/o non conformi alle istruzioni fornite dalla Società. La restituzione dei prodotti contestati, se richiesta dalla Società, deve essere con questa previamente concordata per iscritto. Oltre al costo per la riparazione del prodotto difettoso od a quello del prodotto sostituito ed ai relativi costi di trasporto da e per la sede dell'Acquirente, la Società non sarà tenuta a sostenere ulteriori costi o spese, restando espressamente esclusa ogni responsabilità per qualsiasi danno diretto od indiretto, incluse perdite di produzione e mancati profitti, causato all'Acquirente o a terzi (non avendo l'Acquirente diritto di rivalsa per eventuali risarcimenti dovuti a terzi anche se consumatori privati). La presente garanzia si sostituisce alla garanzia legale per vizi e non conformità dei prodotti forniti.
- 10) RESPONSABILITÀ:** sarà onere dell'Acquirente verificare che il prodotto sia conforme alle norme di legge e di sicurezza applicabili nel Paese dove il prodotto acquistato sarà venduto e/o utilizzato. Per quanto concerne eventuali casi di responsabilità civile da prodotto difettoso, la Società sarà responsabile ai termini ed alle condizioni della propria polizza RCP. Per aprire il sinistro con la Compagnia assicurativa, la Società dovrà ricevere tutti i dati dello stesso in apposito questionario, allegando le fotografie dei prodotti difettosi nel luogo d'installazione e uno o più di campioni difettosi.
- 11) PREZZI:** sono quelli del Listino in vigore al momento del ricevimento dell'Ordine salvo diversa indicazione riportata nella Conferma d'ordine della Società.
- 12) PAGAMENTI:** i pagamenti devono avvenire nei termini ed alle condizioni indicate nell'Offerta e nella Conferma d'ordine. Trascorsi i termini di pagamento convenuti la Società sarà legittimata ad addebitare gli interessi moratori ai sensi del decreto legislativo 192/2012, senza necessità di messa in mora.
- 13) FORO COMPETENTE:** per ogni controversia avente ad oggetto questioni derivanti o comunque collegate con il contratto concluso tra la Società e l'Acquirente sarà esclusivamente competente il Foro di Brescia.
- 14) LEGGE APPLICABILE:** la legge applicabile ai contratti conclusi tra la Società e l'Acquirente è quella italiana.

General conditions of sale

- 1) DEFINITIONS:** "Company" means the company Valvosanitaria Bugatti S.p.A.; "Buyer" means the person, firm or company to whom the Company's invoice is addressed.
- 2) VALIDITY:** these conditions shall be incorporated into each and every Order or Contract agreed upon the Company and the Buyer save different written agreement between them and shall always prevail over the Buyer's terms and conditions. The acceptance of the offer or of the order confirmation by the Buyer in whatsoever form involve the application of these General Conditions of Sale.
- 3) OFFERS AND ORDERS:** Offers issued by the Company are non-binding and will expire 30 days from the date of their issuance. Any purchase order shall require a proper written confirmation by the Company. In the event of an order confirmation different from the Order, this shall be returned duly signed by the Buyer within 10 days from its receipt.
- 4) CERTIFICATIONS AND COMPLIANCE CERTIFICATE:** any product certifications and/or Compliance Certificate, shall be solicited by the Buyer together with the request for quotation and, in any case, before the issuing of the related Order; failing so the Company shall not be held liable for any damages and/or consequence arising from the lack of such documentation.
- 5) TERMS OF DELIVERY:** save different written agreement, terms of delivery shall be EX WORKS (Incoterms 2010) at the production unit stated in the Offer / Order Confirmation even if it has been agreed that the shipping or part of it should be handled by the Company; in this case the latter shall act as agent of the Buyer being understood that the transport shall be fulfilled at Buyer's risks and expenses. In such a case and without proper written information coming from the Buyer, the goods shall be forwarded with a carrier chosen by the Company and the related expenses (e.g. shipping, insurance others related to the forwarding of the goods) shall be borne by the Buyer. The Company shall not in any case liable for any shortage or damage of any gender arising from the stowage and/or loading or caused by the transport.
- 6) DELIVERY DATE:** the Buyers shall collect the purchased goods within 1 (one) week starting from the receipt of the notice of goods ready for shipment (to be considered as delivery date). Failing this the Company shall have the right to invoice the goods and to store them and the Buyer shall pay the related expenses. The delivery dates provided or agreed upon are purely indicative, reflecting regular production conditions, and subject to change during the preparation phases of our products. These terms shall run from the date of receipt of the Order Confirmation signed by the Buyer for acceptance. The Buyer shall not be entitled to make claims for damages arising from or in connection with delay of delivery.
- 7) FORCE MAJEURE:** The Company shall not be liable for any delay resulting from by way of illustration but not of limitation, lack or shortage of raw material, labour, strikes and fires. In these events, as well as in any other unforeseeable circumstances or force majeure event, the delivery will be automatically extended for a period of time equal to the time lost because of the excusable delay.
- 8) CLAIMS:** claims for apparent defects shall be accepted no later than 8 (eight) days after the delivery of the goods to the destination. Claims are to be made in writing and addressed to the Company's office. In the absence of these requirements, the Company shall not be held liable for errors in the delivery of materials that are not promptly and properly reported. Therefore, please also check the Numbers and Markings of the packages.
- 9) WARRANTY:** all products of the Company are guaranteed for 2 (two) years from the date they are shipped from the Company's facility. The Company warrants its products to be free from design and manufacturing defects; during the warranty period the Company will repair or replace (at its sole discretion) free of charge those parts acknowledged by its technicians to be defective, provided that such defects are not due to natural wear and tear, negligence, incompetence or abuse by the user, tampering with or repairs performed by an unskilled person, unforeseeable circumstances or force majeure. The return of products claimed to be defective, if necessary, shall be agreed upon with the Company in writing. In addition to the cost for the restoration of the defective product or in addition to the one of the replaced one and the cost for the shipment from and to the Buyer's premises, the Company shall not be liable for the restoration of any kind of damages, including loss of profit and loss of production caused to the Buyer and/or third parties (the Buyer shall not have right for compensation due to third parties claims even if they are assumed as "private consumers"), This warranty replace the legal warranty for defects of supplied products.
- 10) RESPONSIBILITY:** The Buyer shall be responsible for complying with all safety and legal requirements applicable in the country where the purchased products will be sold/installed. In the event of civil liability case arising from faulty products, the Company shall be liable in accordance with the terms and conditions of its insurance policy. In order to file the related claim, the Company shall receive all the datas of the latter in a proper questionnaire together with the pictures of the faulty product/s and one or more sample of it/them.
- 11) PRICES:** The prices are those of the Company's Price list in force at the time of the Order, save different indication as stated in the Order Confirmation.
- 12) PAYMENT:** payments shall be made as per the terms and conditions indicated in the Offer and in the Order Confirmation. If the Buyer fails to make payments within the agreed time limits the Company shall be entitled to charge interest on late payments in accordance with Italian Decree 192/2012, without requiring formal notice of default.
- 13) COMPETENT COURT:** The Court of Brescia shall have the sole jurisdiction for any legal disputes concerning issues directly or in any way related to the contract stipulated between the Company and the Buyer.
- 14) APPLICABLE LAW:** the governing law of any agreement closed between the Company and the Buyer shall be the laws of Italy.
